Dear Hiring Manager,

Thank you for the opportunity to apply for the Junior Level Web Developer role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a hard-working recent college graduate (Bachelor of Computer Application) from Birendra Multiple Campus. Throughout my academic career, I was consistently praised as focused by my professors and peers. While working on academic and extracurricular projects, I developed proven teamwork and problem-solving skills, which I hope to leverage into the Web Developer role at your company.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at 9845976936 or via email at ansghimire321@gmail.com to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

Anish Ghimire
